

## Development Services Customers

We will not be able to issue any permits until further notice. If you are doing work within the City of Scottsbluff please follow all regulations. Upon our return we will issue permits for work done. Inspections will be completed at that time.

If you need an inspection for work completed on a permit already issued, please take photos and upon our return we will record them.

For Electrical inspections please contact Nebraska State Electrical Inspector Bruce Hoffman at 308-631-1828.

All planning and zoning requests are on hold until our return.

Email [PWinfo@scottsbluff.org](mailto:PWinfo@scottsbluff.org) if you have any questions or concerns.

Thank you for your patience.
