City Manager Johnson presented the May 2017 Financial Report. He reported that the City is 67% through the current budget year. Sales tax revenue is still down; to date, we have an approximate \$31,000.00 shortfall for the year.

Mr. Johnson presented the bids for the Broadway Water Main Project. This is a budgeted Capital Improvement Project with an engineer's estimated cost of \$900,100.00. We have allocated 25% of this expenditure to the 2016-2017 FY Budget and 75% to the 2017-2018 FY Budget. The following bids were received: Quam Construction Company \$836,433.00; Infinity Construction, Inc. \$850,582.00; and Paul Reed Construction & Supply \$902,458.67.

In reviewing the bids, the engineers, MC Schaff and Associates, found that the lowest bidder, Quam Construction Company, is not licensed as a contractor in Nebraska as of the time of the meeting. In addition, they did not supply a sub-contractor list, which was requested. Based on these two findings, staff reviewed the same information with the next lowest bidder, Infinity Construction, Inc., and found no concerns. Therefore, staff is recommending awarding the bid to Infinity Construction, Inc., as the lowest, most responsible bid. Moved by Mayor Meininger, seconded by Council Member Shaver, "to award the bid for the Broadway Water Main Project to Infinity Construction, Inc., as the lowest, most responsible bid, in the amount of \$850,582.00," "YEAS", Colwell, Meininger, McCarthy, Shaver and Gonzales, "NAYS", None. Absent: None.

City Manager Johnson presented the change order for the Sanitary Sewer & Siphon project to correct the upper barrel section of three manholes. The original bid did not include this item because the barrel section initially appeared to be adequate. Moved by Council Member Shaver, seconded by Council Member McCarthy, "to approve Change Order No. 1 with Paul Reed Construction for the Sanitary Sewer & Siphon project in the amount of \$5,325.00 and authorize the Mayor to sign the change order," "YEAS", Colwell, Meininger, McCarthy, Shaver and Gonzales, "NAYS", None. Absent: None.

Mr. Jonathan Hunzeker, President of the NEXT Young Professionals, presented information regarding their annual Best of the West Beer and Wine Festival. This is their 8<sup>th</sup> year and with the addition of the Downtown Plaza, they have increased the area of their festival. They have talked with the Scottsbluff Police Department about security and have increased their number of volunteers for the event. They return a portion of their proceeds to projects with the community. They will not require street closures. Chief Kevin Spencer commented that they do not have concerns, as the event has been very well run and controlled in the past.

Moved by Mayor Meininger, seconded by Council Member Colwell, "to approve the Community Festival Permit for the NEXT Young Professionals at the Downtown Plaza, including street closures, vendors, and a noise permit for a Best of the West Beer and Wine Festival on August 19, 2017 from 12:00 p.m. to 9:00 p.m.," "YEAS", Colwell, Meininger, McCarthy, Shaver and Gonzales, "NAYS", None. Moved by Council Member Shaver, seconded by Council Member Colwell, "to approve the Special Designated Liquor License for Kelley's Liquor and NEXT Young Professionals to serve wine and beer at a Community Festival event at the Downtown Plaza on August 19, 2017 from 12:00 p.m. to 9:00 p.m.," "YEAS", Colwell, Meininger, McCarthy, Shaver and Gonzales, "NAYS", None. Absent: None.

Mr. Chad Leeling, Shots Bar and Grill, and Mr. Geno Bolger, D & G Entertainment, presented their Community Festival Permit for August 19, 2017, for an Uncle Kracker concert on Broadway. They are asking to close the 1700 Block of Broadway from 6:00 p.m. to 1:00 a.m. and 18<sup>th</sup> Street from

Broadway west to the alley from 12:00 noon to 1:00 a.m. The concert will begin at 7:00 p.m. and they want to coordinate to follow the NEXT Young Professional's Best of the West Beer and Wine Festival. They plan to provide their own security and will coordinate with the Police Department. Moved by Mayor Meininger, Seconded by Council Member Shaver, "to approve the Community Festival Permit for Shots Bar and Grill on the 1700 Block of Broadway (6:00 p.m. to 1:00 a.m. and 18<sup>th</sup> Street from Broadway west to the Alley between Ave. A and Broadway (12:00 noon to 1:00 a.m.); including street closures, vendors, and noise permit for a concert on August 19, 2017," "YEAS", Colwell, Meininger, McCarthy, Shaver and Gonzales, "NAYS", None. Absent: None.

Mr. Leeling presented the request for a Special Designated Liquor License for the concert event on August 19, 2017. He explained that he would have additional security and staff available for the event. Moved by Mayor Meininger, seconded by Council Member Shaver, "to approve the Special Designated Liquor License for Shots Bar and Grill to serve wine, beer, and distilled spirits at a concert on the 1700 Block of Broadway and 18<sup>th</sup> Street on August 19, 2017 from 6:00 p.m. to 1:00 a.m.," "YEAS", Colwell, Meininger, McCarthy, Shaver and Gonzales, "NAYS", None. Absent: None.

City Manager Johnson informed the Council that City staff has been working with representatives from the 23 Club regarding their proposal to make renovations to the 23 Club facilities. He explained that in order to get this project off the ground, he has offered in-kind services to help with demolition, landscaping, concrete work, grading, and providing general contracting services by city staff.

Geoff Nemnich, 23 Club Board Member, introduced Board Members BJ Kinsey and Kelly Ratliff who were also present. Mr. Nemnich explained that the 23 Club is located on a City Park and the grounds have been maintained by the City, however, the facility is 50-60 years old and getting run down. There are over 800 children participating in the program each year, which is the largest youth organization in Western Nebraska. The programs are run by volunteers and they are an established non-profit organization.

In order to begin on the renovation process, they are looking at grants, city participation and funding from private donors. The volunteers and potential partners were hesitant to proceed until they got a commitment from the City to help with the project.

They have a concept drawing and cost estimate prepared by Baker and Associates, Engineers. Some concerns they hope to address are code issues, ADA compliance, and safety concerns. With four games being played at the same time, they are looking at safety nets to prevent people from being hit. In addition, they would like to add shade structures, increase the bathroom size and provide additional storage space.

Council Member Shaver asked about the cost to belong to the 23 Club; Ms. Ratliff responded that the fee is \$65.00 for an individual, and \$130.00 maximum fee for an entire family. This fee covers insurance, chartering fees, equipment, and umpire fees.

Mr. Nemnich commented on the lighting structure also, which is outdated. They would like to research an energy efficient solution, possibly with a partnership or grant from Nebraska Public Power District. Council also discussed the issues with parking and possible options. Mr. Johnson informed the Council that the City currently spends about \$22,000.00 per year on maintenance of the fields. Council Member Colwell commented that this large of a project will need to be completed in phases. Council Member Shaver voiced his concern that this facility may not be large enough based on the growth of the program. Ms. Ratliff commented that their goal is to make the building as big as possible in the space available. Mayor Meininger added that staff and Council will need to look at the budget regarding the in-kind contributions.

Council directed staff to prepare a letter of intent from the City to provide assistance with Phase I and Phase II the 23 Club Renovations for the Council to be considered at the next meeting.
