

### **SINGLE STREAM RECYCLING:**

The City of Scottsbluff will be making a few changes to the single stream recycling program in 2016.

Starting in January there will no longer be a charge to participate in the program. All residents and businesses are encouraged to participate. There will be a limited number of containers available and will be handed out on a first come first serve basis. If you would like to participate please contact Environmental Services between the hours of 7:30am-4pm Monday through Friday.

Also starting in January the recycling containers on both the east and west side of the city will be picked up on a weekly basis. This should clear up the scheduling confusion we have had in past years. There are ten (10) scheduled holidays that the City observes during the year. **Please note there will be NO pick up on those holiday weeks.** Schedules are available at City Hall, Environmental Services, Public Works, or at [www.scottsbluff.org](http://www.scottsbluff.org).
