Your generosity is not taken for granted. The library and its Foundation know there are many places to give, and we appreciate your consideration of the library and its mission. Gifts can be mailed to or dropped off at the library.

Friends of the Lied Scottsbluff Public Library

Founded in 2002, the Friends group has been an advocate for the library for many years. The focus of the Friends group is to provide volunteer assistance for projects, promote the library and its staff, assist with library events and encourage gifts to the library Foundation. Its members serve as on-site volunteers, deliver books to homebound patrons and sponsor the annual used book sale.

Interested in joining our Friends group? Feel free to call the library for more information or stop by to pick up a membership form.

About Us

The current site of Lied Scottsbluff Public Library was opened in 1966 and underwent a major renovation and grand re-opening in June 2011 earning the library LEED certification.

The library proudly serves the City of Scottsbluff and its service population of over 15,000 residents. However, the library also opens its doors and provides service to many from the surrounding communities, as well as visitors from both out-of-town and out-of-state. All are welcome to get a library card and use our library.
